The Indian Civil Accounts Organization came into existence with the separation of the auditing and accounting functions in civil Ministries of the Government of India in 1976. Over the last thirty four years, this Organization has been responsible for instituting a credible financial reporting system that is critical for enhancing transparency and accountability in the management of public resources, consistent with the statutory obligations on financial reporting and proactive disclosure. With an authorized strength of 208 officers, the Indian Civil Accounts Service (ICAS) is a premier accounts service with a pool of officers with rich experience and expertise in different aspects of financial management. Although the ICAS officers are spread all over the country, owing to the concentration of Central Government Ministries in Delhi, most cadre posts are based here. By virtue of their job profile and location in the main Ministry, our officers interact and work closely with senior Ministry officials. This is mutually beneficial to the ministries which gain from the expertise and rich experience which our officers bring with them, and to the service officers who get the benefit of this close working relationship.

2. This organization has always encouraged the exchange of knowledge and experience that officers from other services bring to the Civil Accounts and to this end we have, in the past taken officers on deputation. As a few posts in the JAG/NFSG in Indian Civil Service are presently vacant, the Cadre is considering filling them by deputation under normal deputation terms, initially for a period of three years. Besides, the service is undergoing Cadre restructuring process on the basis of functional requirements of the executive ministry. An additional number of posts at JAG level are anticipated to be available with the cadre.
3. In view of the same, I take this opportunity to invite nominations of suitable officers from your service on deputation to JAG/NFSG level of the Indian Civil Accounts Service. Most of the posts to be filled by deputation are located at Delhi. Officers serving in the Junior Administrative Grade (JAG) / Non Functional Selection Grade of JAG level or in the Senior Time Scale with 5 years regular service in the grade or nine years service in Group-A are eligible for consideration for deputation.

4. I shall be grateful if the nominations reach this Office by 31st Jan. 2011, and are accompanied with complete bio-data, copies of ACRs/APARs for the last 5 years, vigilance clearance and major/minor penalty certificates.

Wishing you a very happy new year.

With Regards

(S.M. Kumar)
