STANDING ORDER № 01/2016.

The Eleventh International Aerospace Exhibition – Aero India 2017 shall be held at the Air Force Station, Yelahanka, Bengaluru from the 14th to 18th February, 2017. The Board has, vide letter F.No.520/32/2014-Cus VI dated 05.08.2016, granted permission as a special case for the purpose of Customs Clearance of Aero India 2017 from 1st January 2017 to 10th March 2017 at Air Force Station, Yelahanka, Bengaluru, subject to observance of relevant rules, regulations and procedure prescribed under law.

2. In this background, following instructions are issued for strict compliance:

1) The authorized agent or the Pilot-in-Command of all the Aircraft that are coming for participation in the Aero India, 2017 should file the General Declaration – Inward in duplicate along with the annexure furnishing the details of parts/accessories/tools/consumables that are being brought in the Aircraft. Original should be retained with Customs and the duplicate handed over to the authorized agent or the Pilot-in-Command. A running Serial Number should be given to each General Declaration so filed, by the proper Officer of Customs and full details as per the General declaration – Inward should be entered in a separate register. The same will be treated as Import General Manifest.

2) At the time of departure of the Aircraft, after the completion of the Aero India 2017, the authorized agent or the Pilot-in-Command should file a General Declaration – Outward in duplicate. A running Serial Number should be given to each General Declaration so filed, by the proper officer of Customs, which will be treated as Export General Manifest. The General Declaration – Outward should be verified with the General Declaration – Inward. Full details of the General Declaration – Outward shall be entered in a register.
3) All the spares/accessories/tools/consumables (hereinafter referred to as ‘Goods’) which were brought in should ordinarily be re-exported and so indicated in the General Declaration [Outward], filed in this behalf. However, in the event of non-export of any goods, the same would be assessed to Customs duties as applicable. In such an eventuality, necessary Bill of Entry corresponding to the goods shall be filed manually, assessed by the Proper Officer and appropriate duties of customs collected. In cases where the goods have been stated as used in the Aircraft for replacement/maintenance, the Proper Officer should corroborate and confirm that the same have indeed been used for the purpose so stated.

4) The Aviation Turbine Fuel consumed by the aircraft participating in the Aero India, 2017 at the Air Force Station, Yelahanka, is subject to applicable customs duties, which should be recovered before the departure of aircraft.

5) It will be the responsibility of the Deputy/Assistant Commissioner in charge to ensure that all the records are maintained properly and duties due are collected in time.

6) All concerned will be required to strictly follow relevant rules, regulations etc, as per law.
