STANDING ORDER NO. 02/2014 dated 27.11.2014

A number of exporters are exporting jewellery and articles made of gold (Chapter 71 of Schedule I of Customs Tariff Act 1975) from Air Cargo Complex, Bangalore. In many cases, the exports are made against export obligations prescribed under various export promotion schemes or 80:20 scheme as notified by DGFT, Ministry of Commerce, and/or Circulars issued by the Reserve Bank of India, from time to time.

2. It is hereby directed that all the export consignments of jewellery/articles of gold have to be invariably examined by the shed officers, in presence of an approved jewellery expert, and representative samples should be drawn from every such consignment for verification/certification of the purity and contents, declared in the shipping bills.

3. All officers and staff are directed to comply without fail. Difficulties, if any, may be brought to the notice of this office immediately.
