PUBLIC NOTICE No.02/2019

SUB:- Mandatory of Declaration of Standard UQC in Bills of Entry – ICES Advisory 01/2018 –
Reg

Attention of all Importers, Exporters, Customs Brokers and all Trade Partners is invited to the Data quality and standardization of the UQC (Unit Quantity Code) for the declarations to be filed in EDI in an essential requirement not only for the purposes of valuation, but also for introducing other quantity – based validations in the System. An additional qualifier has now been added in the Single Window Table of the Bill of Entry is to mandatorily declare the Standard UQC (SQC) in addition to the commercial UQC being declared presently as per the invoice.

2. In the Single Window Table the **info-Type** will be CHR and **info-QFR** (Qualifier) will be SQC for the CTHs. The information actually to be declared against this qualifier would be in **Info_MSR** (measure) would be the quantity in the Standard UQC as per the Customs Tariff. In **Info_UQC** the actual SQC will have to be provided which would be validated against the Tariff Code directory available in ICES. Even if the SQC is the same as the UQC declared for the item, it will have to be separately declared (along with the quantity) in the Single Window Table as well.

3. The declaration of the SQC will be made mandatory from **18TH OF FEBRUARY 2019**. Submission of Bills of Entry will not be possible unless the above details are declared.

4. In view of the above, Importers, Exporters, Customs Brokers and all Trade Bodies are advised to file the declarations correctly and accurately from the date of implementation.
