Sub: Non-receipt of Export remittance data from EDPMS developed by RBI - Regarding.

The attention of the exporters and Authorized Dealer (AD) Banks are invited to the above-cited subject.

- It is for the information that the data in the RBI BRC (RBI-MIS Reports) shows that foreign exchange realization in respect of a large number of shipping bills of INWFD6 are pending. This is because of not uploading the realization data by the AD Banks and regular follow up by the exporters. The exporters are once again reminded to check BRC integration status with Customs using the ICEGATE enquiry module and to follow up with the authorized dealer bank to get the information transmitted to the portal of RBI (EDPMS).
- It is further brought to the notice of the exporters that the pendency has to be followed with AD Banks and complete the updation within in the period 30 days. The exporters are informed that in case of any pendency, after the due date, an alert will be made in the ICEGATE, which will be followed by the issue of SCN and adjudication proceedings. The list of shipping bill is available on the website www.bangalorecustoms.gov.in.
- The BRC Cell of Customs ICD Whitefield would monitor the realization of export proceeds for the shipping bills, with LEO dates on or after 01.04.2014, under new RBI-BRC module and would stop accepting/acknowledging 6 monthly negative statement from authorized dealers/ chartered accountants showing the proof of realization of export proceeds (BRC). In all such cases of non-realization of export proceeds recovery action under provisions of Section 75 (1) of the Customs Act, 1962 read with sub-rule.18 of the Customs and Central Excise Duties Drawback Rules 2017 will be initiated against the erring exporter.
- However, shipping bills whose LEO was granted before 31.04.2014 would continue to be dealt in terms of provisions of PN No.07/2016 dt.05.02.2016 read with Board's Circular No. 5/2009-Cus dated 02.02.2009.
