PUBLIC NOTICE NO. 12/2024

Sub: - Exports through New Mangalore Port under claim of drawback -
Uploading of BRCs - Reg.

Attention of all the exporters, their authorized representatives and all other stakeholders is invited to para (g) of Part IX Trade of the Master direction No. 18/2015-16 dated 01.01.2016 on export of goods and services issued by Reserve Bank of India, wherein it is mandatory for the authorized dealer bank to report realization of all the export transaction for shipping documents after Feb., 2014 in EDPMS (Export Data Processing and Management System), was communicated. Similarly, as per instructions issued by DGFT on E-BRC, the authorized dealer banks are also required to transmit the data pertaining to export proceeds to the website of Directorate General of Foreign Trade (DGFT). It has been noticed that though export proceeds are updated in DGFT website the same BRC is not reflected in RBI's EDPMS thereby the ICES-RBI Report module shows FOB not realized in many cases. This may be due to the reason that exporter's AD Bank (Authorized Dealer Bank) is not uploading the Bank realization data in RBI's EDPMS from which information gets transmitted to ICES (Indian Customs EDI System) gateway.

2. The exporters are advised to check the BRC integration module status with customs using ICEGATE enquiry module and to pursue with their AD Bank (Authorized Dealer Bank) for updating the export proceeds realization details in the portal of RBI's EDPMS so that the data is transmitted to ICES (Indian Customs EDI System) for reconciliation, in respect of exports under Drawback scheme.

3. It has been observed that, in respect of 22539 numbers of Shipping Bills for the financial year 2020-21 and 2021-22 involving drawback amount of Rs. 128 Crores, foreign exchange realization is shown as pending in RBI-BRC module for the expected foreign exchange realization period from July, 2021 to July, 2023. As per Foreign Exchange Management Act 1999, foreign exchange realization should be effected within 9 months from the date of export, unless the period is extended by RBI. The data viz name of the exporter, shipping bill number and date are available on the website (i.e. <http://bangalorecustoms.gov.in>).

4. In all cases where e-BRCs are not uploaded or the copies of the e-BRCs are not submitted with this office within **one month** (via email: acdbk.mglr@gov.in) from the date of issue of this Public Notice in respect of shipping bills which were due by the specified date, further action will be initiated to demand and recover the drawback amount sanctioned along with interest, as per the provisions of Customs Act, 1962.

5. Any difficulty faced in this regard may be brought to the notice of Assistant Commissioner of Customs (Drawback), New Customs House, Panambur, Mangaluru (email: acdbk.mglr@gov.in).
